WHY PIERCE CHICKEN®?

- Reduce your labor with prepared products which are more consistent and less intensive than portioning and breading fresh chicken back-of-house.
- Use less refrigerated/dry storage space and reduce your food and ingredient waste with prepared products.
- Allow your staff to focus on your customers and use prepared products to eliminate complicated prep time.
- Ready-to-cook products are lower priced alternatives when compared to fully cooked products with longer hold times, a higher quality bite and more moisture.
